

Kaden Paxton

1964 E Thistle Tree Drive — Springville, Utah 84663 — kpxjr@byu.edu — 385-225-4346

EDUCATION

Brigham Young University
B.S. Mechanical Engineering, Junior
GPA: 3.90

Provo, Utah
Expected April 2028

EXPERIENCE

Undergraduate Research Assistant
CMR Lab, Brigham Young University

Provo, Utah
Aug 2025 – Present

- Design and iterate prototypes to advance research objectives.
- Test prototypes and analyze results to validate performance.
- Coauthored a manuscript currently in peer review with the research team.

EPICenter Shop Tech
ECEN Department, Brigham Young University

Provo, Utah
Mar 2025 – Present

- Deliver student requests in 3D printing, PCB milling, and laser cutting.
- Supervise and maintain the woodshop area.
- Help students with personal project questions.

Infield Mentor
Missionary Training Center

Provo, Utah
Aug 2024 – Jan 2025

- Guided 12 weekly sessions to improve each client's effectiveness.
- Collaborated with mentors from my team to learn new teaching strategies.
- Reported accurately the contents of each session.

PROJECTS

Mini Rover, Spacecraft Club
Communication Team Lead

Provo, Utah
Jan 2025 – Present

- Direct a team of 3 to develop all communication between base station and rover.
- Programmed ROS2 nodes to enable live stream and drive commands between two Raspberry Pi units.
- Established goals to integrate work with other subteams.

BYU Mars Rover Club Volunteer
Volunteer

Provo, Utah
Dec 2023 – Apr 2025

- Volunteered 120+ hours.
- Built and programmed Arduino circuits.
- Tested rover capabilities through realistic mock competitions to simulate Mars mission scenarios.

Personal Projects

- Designed and built Arduino projects such as an RF servo robot arm and a wireless car using a PS2 controller.
- Published a simple Unity game to the App Store.

SKILLS

- Python, C++
- CAD: Onshape
- Woodworking
